Dear Ms. Davis,

*Mildrilyn*

Please accept this letter as my resignation from the City of Alexandria's Affordable Housing Advisory Committee. During my service as the homeowner representative on the committee, I have learned a great deal about the challenges we face with affordable housing in Alexandria, and I was happy to be part of a committed group of people working hard to make progress. I take those lessons and experiences to heart as now I fight in the General Assembly for policies to strengthen and promote affordable housing.

It is an honor to have served with you on AHAC, and now it is an honor to serve you and our community in the House of Delegates. I hope you and current and future AHAC members will always feel free to get in touch with your thoughts and ideas about affordable housing -- or any other issue for that matter -- so we can continue to work together for progress.

Sincerely,

David Englin

Ms Planey

I have been trying for the last 6 months (multiple emails and phone calls) to tell you that I no longer live in Alexandria (I have moved to Woodstock VA), and no longer wish to serve on the committee. Could you please take me off the committee? Thank you.
